

Principal Welcome

Welcome to Hudlow Elementary School!

On behalf of the Hudlow staff, I would like to welcome you back to our community. We are very proud of Hudlow students, teachers and our community for succeeding in times like these. COVID - 19 has had a dramatic impact on all of us. Every day is a different day with new information, testing our flexibility and coping skills. We are in this together, and together we shall continue to survive and succeed.

It is our desire to provide academic excellence in a warm and supportive school climate. We value engaging instruction and ongoing professional development for teachers that will aid in developing students to their fullest potential and move them forward in their educational journey. We are confident students will leave Hudlow with the foundation to become proficient and life-long readers, as well as mathematical thinkers.

Just as important as academic excellence, is the value and emphasis we place on social development and acceptance of (and appreciation for) diversity. Be Safe, Be Respectful, and Be Responsible. This is our driving force.

We know you have a lot of choices when it comes to your child’s education. Hudlow Elementary staff strives to create a positive, quality elementary school experience for your child and we are committed to promoting standards of excellence. We want each parent to feel that "My child is having a great year at Hudlow Elementary."

I am honored to be principal at such an excellent school. I hope and encourage you to visit Hudlow often. Strong parental and community support enhances the quality of education at our school. Please come meet with us, talk with us, and join our PTA. We know that your involvement, combined with the efforts of our outstanding staff, will make this school year a rich and rewarding year for your child.

Please call me (520-731-4800) or email me (eva.almonte@tusd1.org) if you have any questions, concerns or suggestions.

Sincerely,
Eva Almonte, Hudlow Elementary School, Principal
