Principal Welcome Letter 25-26

Welcome to Hudlow Elementary School,

On behalf of the Hudlow staff, we would like to welcome you to our community. We are very proud to be Hudlow Hawks and excited to share this new school year with you.

Hudlow Mission: ***At Hudlow, we recognize and honor the cultural strengths of every student.***

Hudlow Vision: ***Hudlow...on a learning expedition.***

It is our desire to provide academic excellence in a warm and supportive school climate. We value engaging instruction and ongoing professional development for teachers that will aid in developing students to their fullest potential and move them forward in their educational journey. We are confident students will leave Hudlow with the foundation to become proficient and lifelong learners and thinkers.

Just as important as academic excellence is, we value and place an emphasis on social emotional development. We know you have a lot of choices when it comes to your child's education. Hudlow Elementary staff strive to create a positive, quality school experience for your child and you. We are committed to promoting standards of excellence. We want each parent to feel "My child is having a great year at Hudlow Elementary."

I am honored to be principal at such a fine school. I encourage you to visit Hudlow often. Strong parental and community support enhances the quality of education at our school. Please come meet with us, talk with us, and join our PTA. We know that your involvement, combined with the efforts of our outstanding staff, will make this school year a rich and rewarding year for your child.

We are in this together, achieving and succeeding. Please call me or email me if you have any questions, concerns or suggestions.

Sincerely,
Eva Almonte,
Hudlow Elementary School, Principal
