

**Principal Welcome**

Welcome to Hudlow Elementary School,

On behalf of the Hudlow staff, I would like to welcome you to our community. We are very proud of Hudlow and excited to share it with you.

It is our desire to provide academic excellence in a warm and supportive school climate. We value engaging instruction and ongoing professional development for teachers that will aid in developing students to their fullest potential and move them forward in their educational journey. We are confident students will leave Hudlow with the foundation to become proficient and life long readers, as well as mathematical thinkers.

Just as important as academic excellence, is the value and emphasis we place on social development and acceptance of and appreciation for diversity. Be Safe, Be Respectful, and Be Responsible are guidelines we follow each day.

We know you have a lot of choices when it comes to your child's education. The Hudlow Elementary staff strives to create a positive, quality elementary school experience for your child and is committed to promoting standards of excellence. We want each parent to feel that "My child is having a great year at Hudlow Elementary."

I am honored to be principal at such a fine school. I encourage you and hope that you will visit Hudlow often. Strong parental and community support enhances the quality of education at our school. Please come meet with us, talk with us, and join our PTA. We know that your involvement, combined with the efforts of our outstanding staff, will make this school year a rich and rewarding year for your child.

Please call me or email me if you have any questions, concerns or suggestions.

Sincerely,  
Eva Almonte,  
Hudlow Elementary School, Principal
