Principal's Vision:

To ensure that all students acquire high levels of academic achievement through sound leadership focused on quality education, equity in a caring environment.

Principal's Corner—Eva Almonte

Hudlow Hawks,

Hope you all had a wonderful Thanksgiving Break, enjoyed being with family, friends and loved ones as well as all the delicious food.

Hudlow Hawks Fourth and Fifth grade Band and Orchestra had a performance on Tuesday December 3rd in the cafeteria, showcasing their talents on stage!

On December 15th, we will have a school wide fundraiser at Barnes and Noble. All day long, you will have the opportunity to join our teachers and staff in supporting our school. Mr. Mike and his band will be performing, teachers will have tables with different activities. Please come buy a gift for a loved one, support our school and enjoy the different activities with the teachers.

Students have been taking multiple tests and will continue to test this month. This is an important process so that teachers can take a temperature read on the academic success that your child is accomplishing. Please make sure that your child is well rested, has a healthy breakfast and read to learn every day. Remember that with your help, we won the district wide attendance challenge. Thank you for all your support and making sure that your children are here every day and on time. We could not have won this award without your support!

We hope to continue this progress for this coming month. As you know, it takes a village for this accomplishment. Every day counts, please continue to send

your son/daughter to school every day in order to support our teachers and your children.

Our teachers have been selected to be highlighted for the month of December. We will have two teachers followed in the classroom as well as at school to showcase the wonderful things that our students are learning.

Library Reading Station:

Come visit our new area in the library where students can read silently in the Tee Pees and all the wonderful new pillows for the students to enjoy.

Traffic and Safety:

Students are supervised by our monitors on campus everyday from 7:15 am to 7:45, lunch time and then again after school from 1:55–2:10. Please ensure that your student is not dropped off before or picked up after these hours.

Parent Involvement

Slip into a Good Book! Each child will receive slippers and a book to enjoy while at school and then take home. This event will take place on December 19, 2019. Students are allowed to come in Pajamas and participate in the classroom activities. We are collecting slippers or cozy socks for our annual event. If you would like to donate slippers or cozy socks, please drop by the office and let Ms. Kelly or Mrs. Jessa know. They will kindly let you know where we are collecting these items.
