Principal's Corner—Eva Almonte

Dear Hudlow Families,

Welcome to the 2019-2020 school year at Hudlow. This year is an exciting school year for all of us. As the new Principal of Hudlow I am extremely proud of all the perfect attendance that we have had.

We are happy to announce that this year we will be piloting the MPP—Math Pathways and Pitfalls. This framework supported by TUSD for Tier 2 intervention instruction and support. This framework provides teachers with an abundance of resources, assessments, and the necessary lessons that provide students the opportunity to be successful. I am extremely dedicated to support the teachers and students with this new program. Our focus is to move forward and provide students with rigorous, high levels of academic instruction in a safe student-centered environment. This year's goals include increasing the number of students mastering standards in reading, writing, and math.

School starts at 7:45 AM, it is imperative that children attend school daily. Please make an attempt to have your child here every day and on time unless they are sick. Also, remember to call 731-4800 before 8:30 am to provide reason of your child's absence.

Traffic and Safety:

Students are supervised by our monitors on campus everyday from 7:15 am to 7:45, lunch time and then again after school from 1:55—2:10. Please ensure that your student is not dropped off before or picked up after these hours.

Coffee with the Principal / Parent Involvement

Our first Meeting will be on August 30, 2019 at 9:00am. This is a great opportunity for parents to meet with the Principal informally to talk about any issues regarding our school.
