To ensure that all students acquire high levels of academic achievement through sound leadership focused on quality education, equity in a caring environment.

## Principal's Corner—Eva Almonte

Hudlow Hawks,

February has been a busy month already. We have seen some cold rainy days that have kept us in the building and missing our field. As you know, our beautiful school was vandalized over Super Bowl weekend. However, we now have beautiful new windows and our school has also had a little bit of a facelift with a fresh new coat of paint.

**Online Registration:**

TUSD has gone to district wide online registration. If you have not received your SYNERGY Activation key from the office, please come see our wonderful ladies and they will help you out. Returning students will only need to bring proof of residence. All new students will need to upload proof of residence, shot records, parent identification and birth certificate. You may do the registration through your smart phone through the actual SYNERGY site, not the app. You can also use your computer or come to the school and use one of our tablets or computers. This process will only take about 10 minutes. It is really quick and easy.

**Future Fieldtrips:**

- Ms. Khan- Reid Park Zoo March 12, 2020
- Kindergarten Museum of Miniatures- March 31, 2020

**Make Way for Books**

Join our community of learners to help your child get ready to succeed in school and beyond in this free and fun educational program for parents and children (ages 0-5).

**Express Yourself / Color Run:**

March 12,2020 We are excited to have the opportunity to continue with this tradition. Students will experience a variety of arts stations and then end the day with Color Run. We will soon send out the packages for the purchase of the shirts and color. We are needing lots of volunteers to help with a successful event.

**Traffic and Safety:**

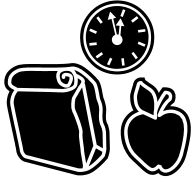

Students are supervised by our monitors on campus everyday from 7:15 am to 7:45, lunch time and then again after school from 1:55–2:10. Please ensure that your student is not dropped off before or picked up after these hours.
