Principal's Corner—Eva Almonte

Hawks, I am so grateful for a wonderful winter break. I took time to reflect on this school year and all the changes that have occurred. In reflecting, I realized just how much I admire each and every one of you as a student, parent—guardian, and most of all the teachers and our staff. With that said, I need to take time to share my gratitude with all.

- ◆ Thank you to our families support of our school and work with our students throughout our 1st semester.
- ◆ Thank you students who attend classes with smiles on your faces as you Zoom into class.
- ◆ Thank you teachers for your consistent support and work with our students throughout our 1st semester.

- ◆ Thank you for everyone's support and patience with me and the District leaders as we adapt to our changing environment.
- ◆ Thank you for being such AMAZING HAWKS!!

Hope you are doing well and had a wonderful Winter break. Starting the New Year and our 3rd quarter, important things to remember:

- 1) Get a good breakfast and water ready before you start your day.
- 2) Have all of your materials ready for the day.
- 3) Log in daily to your teachers Clever page for updated schedule and messages, check announcements.
- 4) Log into your zoom classes on time and be ready to learn.
- 5) Complete your assignments and submit them before the end of the day.
- 6) Log into IXL, Imagine Learning, or any other platforms that your teachers have assigned.
- 7) Email your teacher if you are out sick.
- 8) Ask for help when you are not understanding the lesson or assignment, teachers are willing to help.
- 9) Foster independence with your child.

I understand how hard it is to wake up early, brush your teeth, wash your face and get ready for your zooms, But it is more important than ever to persevere and continue with your routines. Go to bed early, sleep your 8 hours, eat a healthy breakfast, and be ready to learn and show your academic success to yourself, parents and teachers.

First Semester Assessment Success!

Due to our amazing testing coordinator, students, teachers and parents, we are excited to share that our classrooms had amazing percentages. There were no guidelines for how many we were supposed to test this quarter, but 95% is the state guideline for testing.

Miller – 100%

Jauregui – 100%

Remick – 96%

Weatherwax – 95%

Perras – 96%

Kelly – 99%

Cooke – 100%

These are amazing results! Lets continue to SOAR and shine bright Hawks!!
