## **Budget 2021-22 Including ESSER Funds**

Each school has been tasked with doing some research for ESSER Funds, Federal Covid relief ESSER (Elementary and Secondary Schools Economic Relief) funds. If you have read in the news, TUSD was given a substantial amount of money to assist teachers and students achieve academic gaps that happened due to COVID. In the next few months, we'll be finalizing the budget for the next school year, and decide priorities in funding.

Hudlow teachers have been doing their research in order to be able to spend these funds on resources that will support them in order to support the students. We are looking to update our Promethean Boards, Math Interventions, STEAM room, full time counselor, and other programs that will support the teachers with academic lessons.

## **Unitary Status Plan**

Just last week, TUSD achieved Unitary Status, ending a desegregation order 43 years old. I have supported TUSD achieving Unitary Status. While recognizing more work needs to be done to ensure equity based on race and zip code, decisions about how our district allocates resources should be made by our community, through its elected Governing Board, and not by courts and outside entities.

## **Teacher Appreciation Week:**

May 3rd-7th is teacher appreciation week. If you are interested in sending your sons/ daughter teacher a little something, please coordinate with the office. We would love to help you show your appreciation in a safe way.

## **Hudlow Mission**

Hudlow students are learners with cultural strengths that are acknowledged and respected. We provide a safe and nurturing environment where each child can develop academically, emotionally, socially and physically, because we care about all of our students.
