Email: [hudlowhawks.pta1@gmail.com](mailto:hudlowhawks.pta1@gmail.com)

**In attendance (via Zoom):** Erica Pozo, Whitney Cooke, Laura Davis, Sadia Khan, Mayra Jauregi, Eva Almonte, Sandra Del Casale

**Meeting called to order: 3:30 pm**

- **Membership**

- 9/10 members have paid. We will continue to recruit people, focusing on members of our community
- Ms. J suggested reminding parents about PTA during parent teacher conferences and Eva suggested putting an announcement in the waiting room for zoom.
- New president: Erica Pozo
- New vice president: Whitney Cooke
- New secretary: Sadia Khan
- Officers have taken training; Erica is not requesting reimbursement.

- **Fundraising**

- Reviewed ways we have fundraised in the past. We ask the general managers at local businesses (restaurants/grocery stores) and then we advertise via fliers the business provides and we remind parents via parent link and on social media.
  - Erica will check with Peter Piper, McDonald's Chic-Fil-A, and Eegees.
- We will coordinate with student council to ensure there is no repeat on places we choose to approach
- Erica suggested making masks with the Hudlow logo printed as a fundraiser when we return to school
- Ms. J suggested a Read-a-Thon, which may not be the most lucrative but could be a morale booster and a push to practice reading before testing. She will reach out to Mr. Mike the librarian, to check.
- Laura said the movie license for movie night, which runs \$450-500/year has been extended to September 2021.
  - Discussed the possibility of doing a movie night outdoors under the ramada. Notify the community around the area and invite them. Would probably be a morale booster rather than a fund raiser due to restrictions on selling food because of COVID-19. Maya suggested a raffle as a fundraiser. Possibility of selling prepackaged foods?
  - Eva will look into the possibility of doing this and check any district restrictions.

- For future license fees, we could look for a sponsor to pay the fee and have their logo included on advertising of the movie nights.
- **Next Meeting:** March 29, 2021, 4pm via Zoom
- **Meeting adjourned:** 4:05 pm
